Dear Vinay,

Mere words cannot fully express my sincere thanks and gratitude for your guidance and assistance in setting up and modifying my organization's operations to the required standards of Quality Assurance systems. Your regular follow-ups to ensure that these standards are well maintained are immaculate and very much appreciated, not only by me, but by the staff as well, who have understood the benefits of working at a higher level of efficiency.

Your experience and perseverance in obtaining ISO 9001:2000, ISO 13485:2003, WHO-GMP compliance & CE Certifications are commendable and I consider you an integral part of my organization.

Extending my best wishes to you & your staff, I remain,

Yours sincerely,
