Dear Sir,

We would like to take this opportunity to place on record our appreciation of the sincere efforts, cooperation and guidance extended by your organization in assisting with the preparations of the manuals and implementation of procedures for ISO-9001/2000 Certification.

In particular we would like to commend your organization for the punctuality and time bound working which has resulted in the work being completed on schedule.

Thanking you and with best wishes to all your team members for a happy and prosperous new year.

With regards,

J.K. Nambiar

President
